Greetings from Religious Education!

As we come to the end of this year we would like to thank you and congratulate all our families for all the hard work you have done this year. We are so blessed to have such wonderful families to partner with in teaching the children and teens about their faith.

We have enjoyed having the children and teens back in the building. We thank Father Mike who has been here every week to teach the children of the program. This year we implemented a new way of learning our faith. The children and teens participated in the Rosary, learning about saints, Eucharistic Adoration, Mass and Penance with Father Mike. We hope to expand upon this next year with our catechists returning to the forefront of the program once again.

Enclosed is the 2022-2023 re-registration form for religious education for your child or teen. If you have a child entering first grade you will need a **New Registrant Form**. Please let us know as soon as possible so we can mail one out to you. The current registration forms will be available for you to print out from the parish website www.iccwhb.org. However, we must still receive the paper form itself.

The registration forms are due by August 1, 2022. For this year we will be offering an early registration discount of \$20.00 per family for those forms received by June 1st. It is imperative that we receive the registration form as soon as possible in order to properly process the information you provide and plan appropriately for class placement for the new religious education year. Please note there will be a late fee charge if we receive your registration after Aug 1st.

You can expect to receive a Calendar, Parent Handbook and more information regarding the religious education program by mail in September.

Also included in this mailing is a volunteer form. Please consider giving some time to being a catechist, hall monitor or substitute catechist for the upcoming religious education school year. We hope that maybe as you taught your child this year you enjoyed helping them with their faith journey and might want to help out teaching other students in the program. We are always in need of wonderful faith filled people to help us share the Catholic faith with the children of our parish.

If you have any questions or need to contact us for any reason we are here all summer and please feel free to contact us at 631-288-4188 or by email at: religioused@iccwhb.org. Our office hours are Monday through Wednesday 9am-5pm and Thursday 9am-2pm.

We are so fortunate to have such wonderful families in our program. We thank you for the opportunity to partner with you in raising your children to be faithful Catholics.

Blessings,

Kim & Donna
