June 2020

Greetings from Religious Education!

We hope that all our Religious Education families are doing well. We know that most things are up in the air at the moment. Our usual timeline for registrations would be that they would be out in April and due by June. Since we have been on a pause this spring we wanted to hold off on sending registrations out. **The new registrations will now be due by August 20, 2020. However, we strongly encourage you to return the registration form as soon as possible** being that this due date puts a tight timeline on making up classes and preparing for the upcoming religious education year. We do not want to cause any additional stress on anyone who at this moment cannot pay the registration fee and if there is an issue please contact us and we will figure out a plan. **The most important thing is that we receive your form to keep the children on our rosters.**

Enclosed is the 2020-2021 re-registration form for religious education for your child, young person, or teen. If you need an additional form because you have a child entering first grade, please let us know as soon as possible so we can email one out to you. The current registration forms will also be available for you to print out from the parish website www.iccwhb.org. However, we must still receive the form itself. This year we would very much appreciate it if you could scan the form and send it to religioused@iccwhb.org. We can also accept credit, debit or bank account payment through the **Faith Direct** link on our Religious Education page. We will still accept the forms through the mail at PO BOX 1227 Westhampton Beach, NY 11978. **The registration forms are due by August 20, 2020.** (Please disregard the due date on the forms, as they were printed earlier and reflect an earlier deadline.)

There are some changes to our forms this year. Please fill out **all** information even if we already have this from previous years. Both parents/guardians are now required to sign the form.

You can expect to receive a Calendar, Parent Handbook and any other information regarding the religious education program by mail in Early September. The calendar will include required Level Masses, Parent Sessions and Gatherings. As we are planning for the class days and times to stay the same, state and local directives may change and we will update you on any changes as they happen.

Also included in this mailing is a volunteer form. Please consider giving some time to being a catechist, hall monitor or substitute catechist for the upcoming religious education school year. We are always in need of wonderful faith filled people to help us share the catholic faith with the children of our parish.

If you have any questions or need to contact us for any reason we are available all summer by email at: religioused@iccwhb.org or text us through remind.

We are so fortunate to have such wonderful families in our program. We thank you for the opportunity to partner with you in raising your children to be faithful Catholics.

Blessings,

Kim & Donna

Religious Education Staff
