## QUESTION OF THE WEEK

How will I bear fruit this week . . . at home, at work or school, and in my community?

## INTRODUCTION TO THE EUCHARISTIC PRAYER

Around this sacred altar we lift up heart and voice in thanksgiving for all that God has done for us in Christ Jesus.

## INTRODUCTION TO THE LITURGY OF THE DAY

"I am the vine, you are the branches," we hear Jesus tell his disciples in today's Gospel. We are those branches now. Connected to the vine that is the Lord, we are expected to bear fruit. What fruit do we bear? Let us contemplate that question as we prepare to celebrate Mass today. May listening to God's word and sharing in the Eucharist nourish us as we strive to bear good fruit for the Lord.

## The Growing Danger of Physician-Assisted Suicide in New York State

April 19, 2024

A Pastoral Statement  
to the People of God of the Diocese of Rockville Centre  
Most Reverend John O. Barres, Bishop of Rockville Centre

My dear Brothers and Sisters in Christ:

Long Island is blessed to be home to several of the nation's most renowned healthcare systems. These systems consist of a vast network of physicians, nurses, technicians, and medical professionals of all kinds who live and work in our communities. In my weekly travels across the Diocese of Rockville Centre, I meet so many of these health professionals and I never fail to be inspired by their commitment to accompanying their patients throughout the courses of their lives. This includes the end of life.

However, legislation pending in Albany seeks to upend the doctor-patient relationship at its most vulnerable moment via physician-assisted suicide. The bill, which seems to be gaining momentum, authorizes doctors (whose careers are dedicated to healing and preserving life) to dispense pills that literally poison patients who have been given terminal diagnoses. Such a practice flies in the face of human dignity.

In fact, a groundbreaking new Vatican document approved in April by Pope Francis, titled—appropriately—*Dignitas Infinita* (Infinite Dignity), specifically singles out euthanasia and assisted suicide as grave assaults on human dignity which utilize “a mistaken understanding of human dignity to turn the concept of dignity against itself.”

This comment refers directly to the euphemism “death with dignity” that promoters of assisted suicide favor. *Dignitas Infinita* notes that, even in serious infirmity, “human life carries a dignity that must always be upheld, that can never be lost, and that calls for unconditional respect. Indeed, there are no circumstances under which human life would cease from being dignified and could, as a result, be put to an end.”

Clearly, Pope Francis views euthanasia and assisted suicide as symptoms of what he repeatedly has called a “throwaway culture” that has taken hold in the West. The pope, in his wisdom, sees what many supporters of this practice do not.

By virtue of their very humanity, people who are ill or who lack self-sufficiency never cease being infinitely valuable, even if society sends them a message to the contrary by urging them to “get out of the way” and end their lives.

What is being peddled by advocates as a last resort for those suffering from interminable pain will very quickly be expanded to resemble the dystopian nightmare we are seeing play out in Canada, which passed a law very similar to the New York bill in 2016 but which already has been expanded to allow people with non-terminal diagnoses to end their lives. In March, an Ottawa judge approved assisted suicide for a young woman whose only diagnoses are autism and ADHD, over her parents’ pleading objection. The Canadian law is set to expand again in 2027 – incredibly – to allow people with mental illnesses like depression, anorexia, or bipolar disorder to access suicide pills as prescribed by a medical professional.

Sadly, Canada is not an isolated case. The situation is similar in the Netherlands, the first nation to approve euthanasia, where people living with autism and intellectual disabilities reportedly are being euthanized.

I know that these scenarios are not what people have in mind when they answer a survey question asking if they support “medical aid in dying” or “death with dignity.” But we must not fool ourselves. What I’m

describing is not fiction or fear mongering; these abuses are really happening today in jurisdictions that have legalized assisted suicide.

The medical professionals whom I speak with in our parishes and at Catholic Health medical facilities understand clearly that assisted suicide is a terrible, untenable policy. They know that when the end-of-life approaches, the answer is not to actively kill patients or to help them to kill themselves. Instead, true dignity is upheld by providing compassionate palliative care which manages patients’ pain and other symptoms, keeps them clean, tends to their bodily needs, and spiritually prepares them for their journey home.

As Pope Francis has said, “We must accompany people towards death, but not provoke death or facilitate any form of suicide...Life is a right, not death, which must be welcomed, not administered.”

During this time when we celebrate a National Eucharistic Revival, we pray that our reverence for the Body and Blood of Jesus Christ may inspire our witness in New York State’s public square to the reverence for the sanctity of human life at every stage of life.

Sincerely yours in Christ,

Most Reverend John O. Barres  
Bishop of Rockville Centre

## TREASURES FROM OUR TRADITION

In medieval times, one country, Scotland, linked its economy to the liturgy. Four holy days of the church calendar were keyed to the legal year. On these days, rents were due, clergy and servants were paid, and contracts and leases would begin or end. The term days were Pentecost (called Whitsunday), the Feast of Saint Martin on November 11 (Martinmas), the Feast of the Presentation on February 2 (Candlemas), and August 2 (Lammas), a harvest festival. On Lammas day, the first loaf of bread from the summer wheat harvest was given to the village priest. After the Reformation, which swept the Catholic festivals away, the term days were gradually detached from the old feasts. It was only in 1990 that the term days were anchored on the 28th of February, May, August, and November. Today the old Scottish universities are the last hold-outs, still naming their terms or semesters after the old festivals. Scottish students today may not know about the liturgical year, but they still call the fall term Martinmas, and the spring session Candlemas.

# FIRST SATURDAY DEVOTION

Every first Saturday of the Month parishioners here at Immaculate Conception have the opportunity to participate in First Saturday Devotion also known as the Act of Reparation to the Immaculate Heart of the Blessed Virgin Mary. This devotion aims to console the Immaculate Heart of Mary and make reparation for sins. Doing so fosters spiritual growth and is an occasion to respond to Our Lady's call for conversion and peace in the world. The efficacy of this devotion is that the Blessed Mother promised to assist at the hour of death with the graces necessary for salvation.

**First Saturday Devotions at Immaculate Conception begin at 8:45am with the praying of 3 decades of the rosary then mass is celebrated followed by 2 decades of the rosary. The devotion is completed in approximately 35 minutes.**

## HISTORY

The ancient practice of honoring the Blessed Mother on Saturdays dates back to a Benedictine monk Alcuin (735-804) living in Northumbria. He assigned a collection of set forms or formulas to Saturday in honor of Mary. The practice was embraced by both clergy and laity. Fast forward to 1889 when in Rovigo Italy the practice of "Communion in Reparation to the Immaculate Heart of Mary" was endorsed by Bishop Antonio Polin of the Diocese of Adria. The practice spread across Italy and beyond. In 1905, Pope Pius X approved and granted indulgences for the practice of First Saturday for twelve consecutive months. Twenty years later in 1925 in Pontevedra, Spain Our Lady appeared to Sister Lucia dos Santos, the only surviving seer of Our Lady of Fatima. Our Lady requested that devout Catholics observe "communion of reparation" on five consecutive First Saturdays of each month to make reparations for the offenses endured by the Immaculate Heart of Mary due to human ingratitude and blasphemies.

## REQUIREMENTS

According to Catholic Answers these four steps are requirements to fulfill this devotion:

- Go to confession
- Receive Holy Communion
- Say five decades of the rosary
- Keep Mary company for fifteen minutes meditating on the twenty mysteries of the rosary

The sacramental confession can be received within [twenty days](#) either before or after the reception of Communion, as the [Holy See's Apostolic Penitentiary](#) has decreed, provided the communicant is in a state of grace for Communion. Reception of Holy Communion must take place within twenty-four hours of the first Saturday. The reception of Communion need not be part of participating in a Mass.

**Please join us next Saturday, May 4<sup>th</sup> at 9:00am for Mass  
and this special devotion to our Blessed Mother.**
